Each missionary (domestic or international) receiving financial support from the FBCP Mission Fund is required to be an active participant in the FBCP D&D Challenge. Each missionary, domestic or international, can receive FBCP Mission Fund support for a maximum of two (2) trips in any calendar year.

International missionaries will receive $400 support from the FBCP Mission Fund for approved trips.

Domestic mission trips (Senior Adult, Church-wide, Youth, etc.) will be funded in part by the Mission Fund. The Missions Committee will determine annually the individual contribution required to participate in these trips depending on the amount budgeted for the trip, the actual cost of the trip, and the funds available in the mission fund. Donations are not refundable and are expected when the mission trip application is submitted. Scholarships may be available for participants in need.

_____I agree to participate in the D&D Challenge and I have already submitted my pledge this year.

_____I agree to participate in the D&D Challenge at the following level:

Monthly Contribution: $_____ and/or Annual Contribution: $_____

If you feel you need a waiver of this requirement, please speak with one of the ministerial staff members.

Anyone failing to commit to and participate in the D&D Challenge will not be eligible to receive Mission Fund support from FBCP.

My signature below affirms my understanding of the Missions Policy concerning mission trip funding and I agree to comply fully.
